You can install with confidence and ease, while enjoying unrivalled levels of safety and performance. Our shower systems are fitted with FirmaFlow® Therm, the most durable thermostatic cartridge. The ergonomic design of our products delivers the perfect experience, day after day.

ECOFLOW REGULATOR

WATER IS A PRECIOUS RESOURCE. SAVE WATER WITH ECOFLOW.

Cool Body technology ensures the hot water flow is always surrounded by cold water. So whatever your perfect temperature is, the Ceratherm T body stays cool to the touch at all times, giving total peace of mind, protecting users of all ages from scalding.

MAXIMUM SPRAY

MADE FOR MAXIMUM COMFORT.

Idealrain delivers a personal shower experience. Large handsprays ensure maximum comfort and edge-to-edge nozzles are designed to create big indulgent downpours.
